EXPERIENCE

Best Buy, Henrietta, NY — Advisor

March 2022 - January 2024

I applied technical knowledge and relational skills to sell technology and build tailor-fit solutions for clients while educating and leading fellow employees, learning new information, and staying up-to-date in technology. Consistently achieved sales targets, while providing excellent customer satisfaction and building lasting client relationships. Completed back office procedures to manage business finances and balance daily cash flow.

Reminisce Soda Fountain, Caledonia, NY — Cook

June 2021 - August 2021

I applied relational skills in a fast-paced environment to effectively work with a team while maintaining quality standards and developing new skills. I maintained a clean and organized work area, adhering to food safety and sanitation guidelines.

Caledonia Marketplace, Caledonia, NY — Cashier

April 2021 - July 2021

I applied procedural skills, following systems and directives in order to maintain a clean and efficient work environment. I provided excellent customer service, resolving questions and complaints with professionalism and tact.
